

KCS SPRING

Date of Birth: 10/29/2020 **Registration 1:** CI331155 Breeder: Ken Alford

A sweet natured cow with a pedigree that is packed full of producers. She is Tri-colored with black patches coming in more and more daily and is brindling on her face. Her conformation is perfect. These are some of the reasons she is one of our favorite cows on the ranch. Bred to PCC Diablo for fall 25 calf
