

## **KCS SPRING**

Date of Birth: 10/29/2020 **Registration 1:** CI331155 Breeder: Ken Alford

Owner: KC Springs Ranch

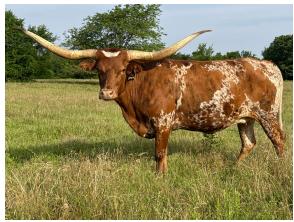

A sweet natured heifer with a pedigree that is packed full of producers. She is Tri-colored with black patches coming in more and more daily and is brindling on her face. Her conformation is perfect. These are some of the reasons she is hands down our most favorite cow on the ranch.
